The family want to see the following shows.

- the Reptiles
- the Big Cats
- the Dolphins
- the African Adventure.

They decide to see the Big Cats at 10.45
They want to spend **30 minutes eating lunch.**

The Roberts family wants a timetable for the day.

The timetable must include

- the start time and the finish time for each show they will see
- the time for lunch.

The family needs to allow **15 minutes to walk between the shows.**
