

ENLARGEMENT

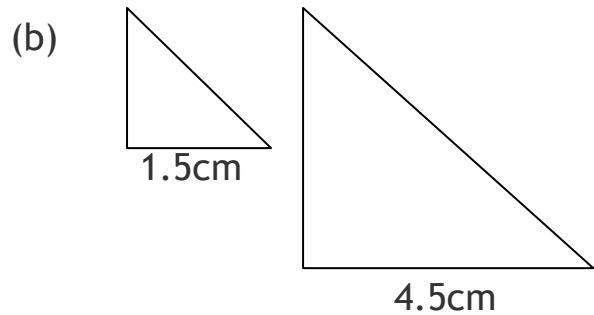

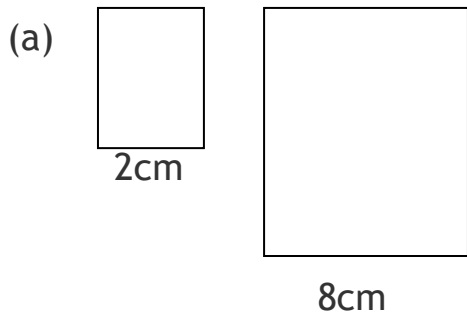

1. Enlarge the following shape with a scale factor of 2

2. Enlarge the following shape with a scale factor of 2

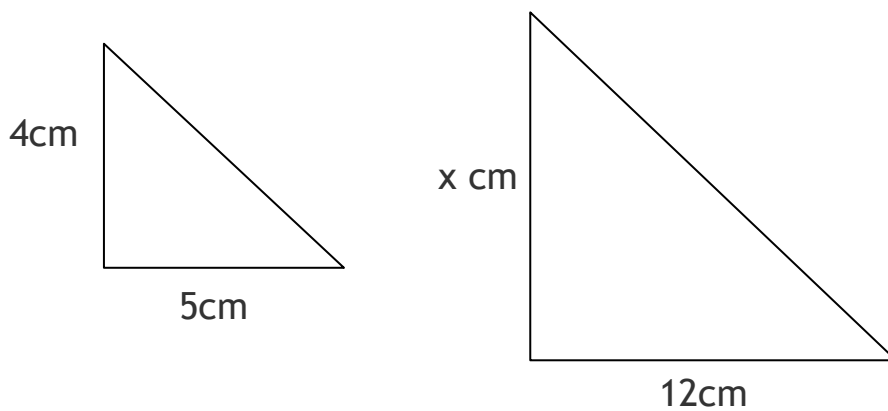

3. Work out the scale factor for these similar shapes.

Scale factor is

Scale factor is

4. Work out the scale factor for the similar triangles below. Hence calculate the value of x .

.....
.....

SCALE FACTOR is

.....
.....
.....
.....

Value of x is (cm)
