

## WORKING WITH FRACTIONS

Use your fraction wall to help cancel any fractions, where possible.

1(a) How many rooms do you have in your house?

I have .....rooms in my house

(b) What **fraction** of the rooms are

(i) downstairs? .....

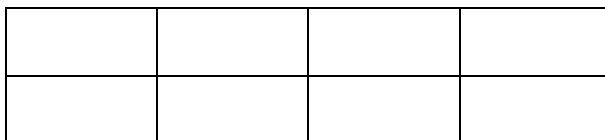

(ii) Upstairs? .....

3. There are 24 hours in a complete day. On a **weekday**, what fraction of these hours are you generally

(a) Asleep .....

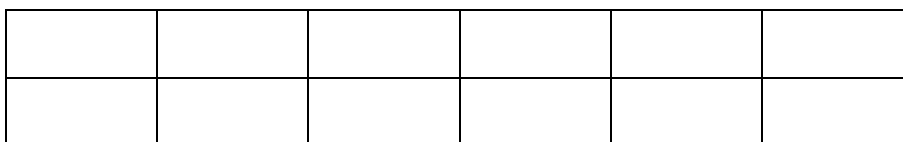

(b) At school? .....

4.

Shade  $\frac{1}{4}$  of this diagram

5.

Shade  $\frac{1}{4}$  of this diagram
